

## Greenlee's Summer of 2010 Reading List

Teachers across all grade levels understand the importance of encouraging students to read during the summer vacation. It is especially important for beginning readers to continue to practice and develop their newly acquired skills on a consistent basis. Please select from the suggested list below **or choose any age appropriate book.** Many of these titles are available for checkout at the Public Library and a Story time schedule is attached. If your child returns the list below with 10 books read and signed by a parent then he/she will be invited to an ice-cream party when they return to school in August.
