Dear Parents,

Nothing contributes to student achievement more than independent reading. All of Deyton's students are encouraged to read independently 15 minutes a day over summer vacation.

To help with this we have teamed with the Spruce Pine Public Library to provide the attached summer reading lists. Many of these titles and numerous others are available at the Spruce Pine Public Library. The books on this list are only suggestions. The most important thing is for our students to read over the summer.

The public library is located at 142 Walnut Avenue, their phone number is 765-4673 and their hours are:
Mon & Tues: 9 am – 8 pm, Wed – Fri: 9 am – 5 pm, Sat 10 am- 1 pm.

Attached is a record sheet for students to fill out and parents to sign. Every student who reads six (6) chapter books and returns the completed and signed sheet will be invited to an ice cream party at Deyton in August.

Have a great summer!
